

A MESSAGE FROM PRESIDENT BELL

President
Ron Bell

"Today's highlights include an address from The Honourable Vic Toews."

On behalf of the Board of Directors of the Association of Manitoba Municipalities, welcome to the AMM 9th Annual Convention!

The AMM Convention is the largest event held in Manitoba for municipal elected officials, with more than 1,000 mayors, reeves, councillors and municipal office staff in attendance. To help you to get the most out of this very full event, we have provided a Final Agenda, along with this 'Daily Bulletin' so that you are kept completely up to date on each day of Convention. This bulletin will include highlights from each day, and will be available each morning upon your arrival.

Today's highlights include an address from The Honourable Vic Toews, President of the Treasury Board and Member of Parliament for Provencher. As you know Minister Toews is Manitoba's senior Federal Minister and we are really pleased that his schedule has allowed him to be here today.

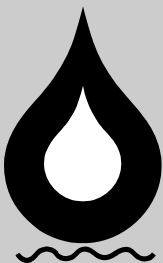

We have a very full and informative agenda for you this year as we pave the road to achieving our "Mission: Possible!" Please enjoy everything Convention has to offer. I look forward to seeing you over the next few days.

WATER, WATER EVERYWHERE...

There are few topics discussed so much as water, and today's Plenary Session presented by Manitoba Water Stewardship has got it covered. Steve Topping and Perry Stonehouse will present "Manitoba Water Stewardship: Drainage Regulation and Funding" at 3:15 p.m. in the UCT Pavilion.

Please Note: Manitoba Water Stewardship will have staff on hand to answer questions and speak to the concerns of Convention delegates in the UCT Pavilion following adjournment today.
