With the innovative design, you now have the ability to drive your tractor on a safe footing while **REACHING** into more places with the mower.

## The NEW Highline RCH (Radial Contouring Hitch) Mower™

The RCH™ arm technology allows the mower to be moved from left of the tractor to the right with only the push or pull of your hydraulic lever. Imagine the benefits!! You can move around sign posts, cutting right up to them and moving around them. Cut very steep grades on your right or left while your tractor remains level. This NEW design truly is something the industry wanted.

## Manitoba Good Roads Association

The executive elected in April at the Annual General Meeting remains the same as last year except for the Judges Chairman.

**Lawrence Morris** is President, **Jacques Trudeau** is Vice President, and **Darlene Fisette** is Past President. The Urban Directors are **Greg Mandzuk** and **Marlene Cook**. The Rural Directors are **Skip Jacobson**, **Bob Bruneau**, **Bob Thiessen**, and **Kurtiss Krasnesky**. The new Chair of the Judges Committee is **Rob Cox** from Manitoba Hydro. The Corporate Representative is **Bob Omeniuk** and the representative for Manitoba Infrastructure and Transportation is **Prokopis Papadimitropoulos**.

The two-day **Gravel Road Design and Maintenance course** is being offered again this year. Courses will be held November 12-13, 2008 in Brandon, March 3-4, 2009 in the RM of Hanover and March 10-11, 2009 in the City of Thompson. Please remember that MGRA members receive a substantial discount to all courses! For more information on becoming a member of MGRA, contact Terra.

The judging is complete for another year! Thanks to all municipalities that submitted entries to make this year another success. See you at the Banquet in April!

Please note that the AGM and Annual Awards Banquet will be held Tuesday, April 14, 2009 at the Royal Oak in Brandon.
