## TRANSPORTATION MATTERS

*A commitment to building a safe, modern and reliable transportation system is a commitment to a prosperous and competitive economy for all Manitobans.*

*As Canada faces a total transportation and infrastructure deficit of more than \$120 billion, it is clear that municipal and provincial governments cannot fix the problem alone, it requires sustained federal participation.*

*The Manitoba Heavy Construction Association will continue to press all governments to make transportation and infrastructure a top policy priority.*

**Phone: (204) 947-1379 • Fax: (204) 943-2279 • [www.mhca.mb.ca](http://www.mhca.mb.ca)**

**Presence. Profile. Impact.**
