## Manitoba Good Roads Association

Once again this past summer, MGRA judges traveled across the province judging roads and home grounds for the annual competition. Awards will be presented to the winners at the **Annual Banquet** on February 26, 2006 at the Royal Oak Inn in Brandon. If you wish to attend this fun evening, please contact the MGRA. The **MGRA Annual General Meeting** will also take place Sunday, February 26<sup>th</sup> at the Royal Oak Inn at 3:00 p.m. Come to the meeting and enter the **free draw** for a year membership to the MGRA. This is your opportunity to express the opinions and concerns of your municipality.

A seminar on dust control and geotextiles will be hosted by Manitoba Transportation and Government Services in conjunction with the AMM convention on February 27, 2006 at the Keystone. Contact MGRA if you would like to register for this seminar or if you have any suggestions for future courses.

The MGRA will once again have a booth at the AMM tradeshow on February 27th. Please stop by and look at some of the winning home grounds as well as learn more about the Association.
