EXECUTIVE DIRECTOR MASI ON BOARD FOR ANOTHER FIVE YEARS

Dear AMM Member:

I am pleased to inform you that the Association of Manitoba Municipalities (AMM) has retained Executive Director Joe Masi for a period of five years, effective immediately.

Joe has served as Executive Director of the AMM since 2001. During that time, he has been responsible for coordinating the overall business affairs of the AMM. He liaises with senior officials of external organizations, Federal and Provincial Government officials, municipalities, and the media.

Joe's vast knowledge of municipal affairs has been a great asset to the AMM during his tenure. During the past five years Joe has built valuable relationships with officials in all orders of government, and created an excellent working environment for the staff and board of directors of the AMM. Joe is proactive in responding to the ongoing changes in municipal government, and he ensures that the AMM continually evolves to meet its mandate.

Joe's experience and leadership has helped the organization to grow and thrive into the effective advocacy group that it is today. The board of directors and I are delighted that he will continue his work with the AMM.

Sincerely,
