AMM tours Eastern Region

Annual municipal visits give officials chance to voice concerns

October 11, 2007 – The Association of Manitoba Municipalities (AMM) will continue its annual round of municipal visits next week, touring the Eastern Region of the province. AMM representatives will meet with councils from several municipalities to discuss issues the AMM board has been working on in recent months, and to hear from the councils regarding the issues facing these regions.

“Municipal visits are important to the AMM because they offer us the chance to meet our members from a specific region and communicate on a more individual level with them. Not only is it valuable for us to hear some of the concerns within their communities, it gives us a chance to personally meet many of the newer council members,” said AMM President Ron Bell.

AMM Representatives at the meetings will include Bell, Urban Vice-President Shirley Kalyniuk, Rural Vice-President Doug Dobrowolski, and Executive Director Joe Masi. Also attending the meetings will be the AMM directors representing the Eastern Region, including Councillor Art Rempel, Eastern Urban Director and Reeve George Harbottle, Eastern Rural Director.
