AMM to tour Interlake Region

Annual municipal visits give officials chance to voice concerns

February 17, 2006 - Next week, representatives from the Association of Manitoba Municipalities (AMM) will meet with Councils from several Interlake Region municipalities to discuss issues the AMM board has been working on in recent months, and to hear from the Councils regarding the issues facing the Interlake Region.

“Municipal visits are important to the AMM because they offer us the chance to meet our members from a specific region and communicate on a more individual level with them. We are looking forward to meeting some of the officials in the Interlake, and to hearing some of the concerns within their communities,” said AMM President Ron Bell.

AMM Representatives at the meetings will include Bell, Urban Vice-President Lorne Boguski, Rural Vice-President Garry Wasylowski, and Executive Director Joe Masi. Also attending will be the AMM directors representing the Interlake Region: Arborg Mayor Randy Sigurdson (AMM Interlake District Director - Urban) and Rosser Reeve Alice Bourgoquin (AMM Interlake District Director - Rural).

The municipalities to be visited next week are:

Monday, February 20

- Village of Dunnotar (9:00 am)
- RM of Coldwell (12:00 pm)
- RM of Rosser (3:00 pm)

Tuesday, February 21

- Town of Teulon (8:30 am)
- RM of Armstrong (11:00 am)

The AMM represents all municipalities in Manitoba.
