## AMM tours Parklands Region

*Annual municipal visits give officials chance to voice concerns*

**March 29, 2007** – The Association of Manitoba Municipalities (AMM) will continue its annual round of municipal visits next week by touring the Parklands Region. AMM representatives will meet with councils from several municipalities to discuss issues the AMM board has been working on in recent months, and to hear from the councils regarding the issues facing these regions.

“Municipal visits are important to the AMM because they offer us the chance to meet our members from a specific region and communicate on a more individual level with them. Not only is it valuable for us to hear some of the concerns within their communities, it gives us a chance to personally meet many of the newly elected council members,” said AMM President Ron Bell.

AMM Representatives at the meetings will include Bell, Urban Vice-President Shirley Kalyniuk, Rural Vice-President Doug Dobrowolski, and Executive Director Joe Masi. Also attending the meetings will be the AMM directors representing the Parklands Region, including Mayor Rene Maillard, Parklands Urban Director and Reeve Robert Misko, Parklands Rural Director.
