AMM to visit Northern Region

Annual municipal visits give officials chance to voice concerns

July 22, 2005 - Next week, representatives from the Association of Manitoba Municipalities (AMM) will meet with representatives from the Town of Churchill and the City of Thompson to discuss issues the AMM board has been working on in recent months, and to hear from the councils regarding the issues facing the Northern Region. The AMM will be in the Town of Churchill on Monday, July 25 and in the City of Thompson on Tuesday, July 26.

“Municipal visits are important to the AMM because they offer us the chance to meet our members from a specific region and communicate on a more individual level with them”, said AMM President Ron Bell. “We are looking forward to meeting some of the Northern officials and hearing some of the concerns unique to Northern communities.”

AMM Representatives at the meetings will include Bell, Urban Vice-President Lorne Boguski, Rural Vice-President Garry Wasylowski, and Executive Director Joe Masi.

The AMM represents all municipalities in Manitoba.
