AMM tours Central and Western Districts

Annual municipal visits give officials chance to voice concerns

October 4, 2004 - This week, representatives from the Association of Manitoba Municipalities (AMM) will meet with Councils from several Central and Western district municipalities to discuss issues the AMM board has been working on in recent months, and to hear from the councils regarding the issues facing that district.

“Municipal visits are important to the AMM because they offer us the chance to meet our members from a specific region and communicate on a more individual level with them. We are looking forward to meeting some of the officials in these districts as well as hear the concerns within their communities,” said AMM President Stuart Briese.

AMM Representatives will include Briese, Urban Vice-President Ron Bell, Rural Vice-President Garry Wasylowski, and executive director Joe Masi. AMM Directors from both districts will be in attendance as well: For the Western District, Pipestone Reeve Karen Caldwell and Virden Mayor Stan Ward, and for the Central District MacDonald Councillor Doug Dobrowolski and Altona Councillor Rick Martel.
