## MOVIE LOCATION SCOUTING

Multi-million dollar Hollywood film production is growing in Manitoba and your municipality/town could be chosen next! Industry standard location photos are an absolute necessity when highlighting your towns, buildings, farms, and other commonly overlooked locations. Location Scout/Photographer, *Mark Glucki*, brings advanced industry knowledge from direct experience alongside producers, directors, and key film decision makers. Locations scouting can start with one day and then build according to your community's needs in order to develop your targeted film location photo library.
