

## **CAREER OPPORTUNITY**

### **Facility Manager**

At the centre of an eco-tourism based region known as the Beluga Whale and Polar Bear capital of the world The Town of Churchill offers an exceptional quality of life and a full service progressive community which is an ideal place to work and live.

Reporting to the Chief Administrative Officer as a key member of the senior management team, you will direct the day to day operations of the Town Center Complex, a 250,000 square foot facility housing the local Hospital, School, Hockey Arena, Curling Rink, Pool and Gymnasium. 13 employees look to you for leadership in running and maintaining the facility and planning of Custodial staff, maintenance and security.

As the ideal candidate you will have experience in a large complex or building management. You are familiar with Heating and air handling systems, electrical and plumbing knowledge as well as experience in budgeting and inventory control systems.

As the successful candidate you will have:

- A post secondary degree in a related field or a combination of education and experience.
- Mechanical ability/stationary engineering degree is a definite asset
- Minimum five years related experience as a manager of a complex or arena, refrigeration experience is an asset
- Strong communication and interpersonal skills with the ability to work independently but with a consultative, teamwork approach.
- Valid driver's license.
- Strong human resource management skills.
- Experience in a unionized environment

The Town of Churchill is offering a comprehensive benefits package and a competitive salary, commensurate with experience and qualifications.

Applications are requested to send a resume along with 3 references to the attention of the CAO to:
