# TUESDAY, NOVEMBER 22

Breakout Sessions 1:00 p.m. to 1:45 p.m.

## ***Drugs in our Communities – Drug Identification and what is in our communities – Part 1***

**Presenter:** *Doug Lukawy, Sergeant, Drug & Organized Crime Awareness Service, Winnipeg RCMP*

**Location:** *UCT Pavilion*

Manitoba communities are fighting a rising tide against street drugs and gang activity. The street-level social problems are not only growing, they are interconnected, becoming more complex, and involving more young people. An update on the current street drug trends in Manitoba, enforcement vs. prevention and community mobilization drug strategies will be provided.

## ***Introduction to Cooperatives***

**Presenter:** *Vera Goussaert, Executive Director, Manitoba Cooperative Association*

**Location:** *CKLQ 880 Hall/Star 94.7 Viewing Lounge*

This session will explore the different kinds of co-ops and how they can be used to stimulate local economies. Using examples this workshop will explore established and emerging co-ops to illustrate community impacts.

## ***Dealing with the Tough Stuff***

**Presenter:** *Joe Roberts*

**Location:** *Convention Hall*

Joe Roberts is an international speaker and Thought Leader on Personal Transformation and Individual Brilliance. He was a multimillion dollar success before he was 35 years old and his fresh insight and passion have inspired thousands worldwide.

## ***Help Us Help You – FCM Town Hall Forum***

**Presenter:** *Berry Vrbanovic, President, Federation of Canadian Municipalities (FCM)*

**Location:** *Pioneer Lounge*

Whether you're a big city, a small town or somewhere in between, you are not alone when it comes to tackling municipal challenges at the federal level. The Federation of Canadian Municipalities (FCM) is here to help all communities, and we want your thoughts on how we can best support you. Join us for a Town Hall Forum where you can share your insight with FCM as we set our strategic direction for the next few years. This is your opportunity to tell us about the challenges your municipality is facing and how you would like FCM to help you to overcome them. Your input is vital to ensuring that we keep our voice strong and successfully influence policies and programs that fall within federal jurisdiction. Don't miss it!

## Breakout Sessions 2:00 p.m. to 2:45 p.m.

### ***Drugs in our Communities – Prevention, Education, Enforcement and Community Mobilization Strategies – Part 2***

**Presenter:** *Doug Lukawy, Sergeant, Drug & Organized Crime Awareness Service, Winnipeg RCMP*

**Location:** *UCT Pavilion*

Manitoba communities are fighting a rising tide against street drugs and gang activity. The street-level social problems are not only growing, they are interconnected, becoming more complex, and involving more young people. Attend this update on the current street drug trends in Manitoba, enforcement vs. prevention and community mobilization drug strategies.

### ***The Provincial Planning Framework***

**Presenter:** *Ramona Mattix, Assistant Deputy Minister and Kristy LeBaron, Policy & Legislation, Community Planning and Development Division, Manitoba Local Government*

**Location:** *CKLQ 880 Hall/Star 94.7 Viewing Lounge*

This presentation will provide up-to-date information on Manitoba's planning legislation, regulation and resources. Topics include recent changes to planning legislation, upcoming regulations and new requirements, with a focus on the new Provincial Planning Regulation. The presentation will also review support materials and grants that the Province is providing to planning authorities to assist with meeting the new standards.

### ***The Politicians and the Administrators – Good Relationships are Good for Government***

**Presenter:** *Chris Goertzen, Mayor, City of Steinbach, and Jack Kehler, City Manager, City of Steinbach*

**Location:** *Convention Hall*

Chris and Jack will share their views on the governance and organizational changes that were deemed appropriate for Steinbach, the changes in protocols that were developed, and the executive limitations which were put in place. They will talk about methods they use to minimize problems, how they managed to clarify roles of all the participants and how they developed ways to allow for open disagreement.

### ***Being Lake Friendly ... Protecting our water...Through purchasing??***

**Presenter:** *Colleen Sklar, Executive Director, South Basin Mayors and Reeves and David Ash, Director, Supply and Services Division, Procurement Services Branch, Manitoba Infrastructure and Transportation*

**Location:** *Pioneer Lounge*

This presentation will provide you with information on the South Basin Mayors & Reeves Lake Friendly Initiative. It will also introduce you to a tool developed by the Manitoba Going Green Working Group to help you make the best choices on a broad range of goods or services that will help our purchasing make a difference—because what we do matters!
