Are you or someone you know interested in municipal government? Would you like to take a leadership role in your community? Have you wondered what it takes to run for a position on your local council? Perhaps you think you don't have the knowledge or experience to run...or maybe you feel you simply don't have the time or the support.

**If so, this "Lunch and Learn" session is for you!**

Since producing the report "*Ballot Box Barriers: An action plan for engaging more women in the democratic process*" in 2010, the Association of Manitoba Municipalities (AMM) has launched a 4-year plan to attract more women to municipal government. Part of this plan is to promote role models, success stories and connect women with mentors through a number of networking sessions throughout Manitoba.

**Don't miss this opportunity to learn from women who are already leaders in their region as they discuss the barriers many women think they face in running for municipal politics—and how to break them.**
