ELECTION CANDIDATES NOW ONLINE

October 7, 2010 – The Association of Manitoba Municipalities (AMM) will offer a “one-stop shop” for election night results this year via the AMM website.

A total of **161** municipalities will hold elections on October 27, 2010. Of the 197 incorporated municipalities in Manitoba, 33 have determined their councils through acclamation, and three resort communities – Village of Dunnottar, Town of Winnipeg Beach, and RM of Victoria Beach – held their elections in July.

The remaining municipalities’ lists of candidates are now available for viewing on the AMM website at http://www.amm.mb.ca/election_2010.cfm.

The AMM will update the website live as results come in, beginning at 8:00 p.m. on October 27.
