

THE SCREEN DOOR PRODUCES A VARIETY OF PROMOTIONAL PRODUCTS

The Screen Door, a supplier of promotional materials and wearables, is the latest MTCML Official Supplier. The company has seen three sets of owners since it began operation in the basement of two homes in Portage la Prairie in 1983. The current owners, Rick and Gailyn Whincup, have operated the business since 1995 and have moved it out of the basement into a storefront operation at 1645 Saskatchewan Avenue West in Portage la Prairie.

Gailyn told *The Leader* that the only limit to what promotional products they can supply to MTCML members is the members' imaginations. "We can produce commemorative T-shirts, hats, key chains, pens as well as household and office items. There is something for every occasion whether it be for a conference, team function or special event," she said. "We can produce any final product that can support a screened logo, image or message."

Any members who have attended recent AMM golf tournaments and received AMM promotional items and prizes can attest to the quality of work turned out by The Screen Door. Rick and Gailyn look forward to hearing from you!
