

Public Works Foreman Town of Emerson

The Public Works Foreman is charged with duties including hands-on work as well as coordinating and managing the direction of the public works crew. The successful applicant will be forward thinking, diplomatic, and organized. Under the direction of the policies developed by Council and the Chief Administrative Officer, the Public Works Foreman shall:

- *Assist in policy and program development and implementation to achieve Council objectives, including safety and training programs.*
- *Direct and supervise all work relating to maintenance and repairs to infrastructure, roads, joint projects.*
- *Other duties as may be required in relation to the public works department.*

Preference will be given to candidates who are skilled/knowledgeable with the operation of all municipal equipment.

Class I Certification for Water Distribution, Wastewater Treatment & Collection is a requirement for this position or the candidate must be willing to take the required courses to obtain certification.

The candidate must have completed Grade 12 or GED 12 and have a valid Manitoba driver's license.

The Town of Emerson offers a very competitive salary, benefits and pension package. Qualified candidates are invited to submit resumes stating experience, education, salary expected, and related work references to:
