

CAREER OPPORTUNITY MANAGER OF PUBLIC WORKS AND UTILITIES

At the centre of an eco-tourism based region known as the Beluga Whale and Polar Bear capital of the world The Town of Churchill offers an exceptional quality of life and a full service progressive community which is an ideal place to work and live.

Reporting to the Chief Administrative Officer as a key member of the senior management team you will lead the Public Works and Utilities Department. The scope of this role involving more than 25 full and part time staff in multifunctional areas encompasses water and waste water management, fleet management, public works, roads, capital projects, waste transfer station management and human resource management.

As the ideal candidate you will have worked in the municipal sector or related area and are best known for your ability to effectively manage operations, assets and people in a cost effective and customer service orientated manner. You are a creative thinker with a consultative management style and possess a high level of personal integrity as you will provide a vision and direction for the present and future development of our Town.

As the successful candidate you will have:

- A post secondary degree in a related field or a combination of education and experience.
- Minimum five years related experience as a manager of Public Works with experience in the field of water and waste water operations.
- Ability to interpret contracts, legislation, by-laws and policy.
- Strong communication and interpersonal skills with the ability to work independently but with a consultative, teamwork approach.
- Valid driver's license.
- Strong human resource management skills.

The Town of Churchill is offering a comprehensive benefits package and a competitive salary, commensurate with experience and qualifications.
