As most of you are aware the Brandon Hoteliers, Brandon Tourism and the Westman Accommodation Group has been working diligently to accommodate all of the room requests for the 2011 conference. As a group we have committed to ensure that the booking policy for the 2013 convention is in place.

The following will be the booking procedure for the 2013 convention:

1. Reservations will be accepted at your hotel of choice beginning on Monday November 28, 2011 at 9AM. Please find attached a contact name and number for each of the Brandon Hotels.

2. If unable to reserve guest rooms please email your room requests to the WAG email address.
