MANITOBA

An Effective Safety Management System

What is a Safety Management System?

- Process for managing Safety risks
- A business approach to Safety

Benefits:

- Safety and efficiency are linked
- Reduced losses and enhanced productivity
- Reduces injury
- Improves employee morale
- Complies with Workplace Safety & Health requirements

Process:

- We will work with you to develop a Safety Management System from start to finish
- The system will be user-friendly, regulatory compliant, and tailored to your individual municipalities needs
- Your commitment is 4-6 hours/month

Contact Safety Services Manitoba to learn more about this unique opportunity!

- David Erl – (204) 612-3144
derl@safetyservicesmanitoba.ca
- Bob Forsyth – (204) 631-1306
bforseyth@safetyservicesmanitoba.ca

With Safety Services Manitoba, your return will be greater than your investment.
