Time to LEAD

A MESSAGE FROM THE PRESIDENT

On behalf of the Board of Directors of the Association of Manitoba Municipalities, welcome to the AMM 12th Annual Convention.

This year's Convention theme, *Time to Lead*, is especially significant as we welcome many newly elected leaders to our Convention. You will definitely want to attend today's pre-conference session designed specifically for newly elected officials, aptly titled "Once Elected – What is Expected?" And that is only the beginning of what promises to be an exciting few days.

The AMM Convention is the largest event held in Manitoba for municipal elected officials, with close to 1,000 delegates attending each year. Be sure to refer to your *Final Agenda* along with our *Daily Bulletin*. It will be available each morning upon your arrival.

Convention is a time for learning, sharing information with your fellow officials, and gathering new ideas to help you learn to navigate the waters of elected office. Most importantly, it is a time to reflect on your leadership skills, and how you can best use them in building your own municipality. If you have been re-elected, I look forward to becoming reacquainted during Convention. And if you are newly elected, I look forward to getting to know you. Enjoy yourself!

President Doug Dobrowski
