MONDAY RECAP

Day one of the AMM 12th Annual Convention saw a high turnout of newly elected officials for the "Once Elected...What is Expected?" pre-conference session. Thanks to *Manitoba Local Government* for delivering this informative session!

The Honourable *Vic Toews*, Minister of Public Safety delivered a "tough on crime" speech, focusing of national crime prevention strategies. He also announced a \$1 million fund for public transportation infrastructure projects in Manitoba municipalities of less than 40,000 people.

Monday's Keynote speaker, *Dr. James Reese* was thoroughly enjoyed, showing impeccable comic timing and keeping the audience in stitches while delivering a memorable message: "Have an attitude of gratitude." Words to live by to be sure!

Hope everyone enjoyed last night's Icebreaker Reception. Have a great Tuesday!

Quotes of the day:

"These investments are a small price to pay to ensure dangerous criminals don't create new victims or terrorize previous ones."

The Hon. Vic Toews

"Don't take that pat on the back any more personally than you would that kick in pants."

Dr. James Reese

Ballot Vote Results:

WHERE SHOULD THE AMM ANNUAL CONVENTION BE HELD?

Continue to alternate between Brandon and Winnipeg.

In Winnipeg until Brandon has enough hotel rooms to accommodate all participants.

Women in Municipal Government Networking Opportunity

5:00 p.m., Pan Am Room, 2nd Floor

This session will give both newly elected and veteran elected women a chance to meet and discuss issues in an informal setting. This is a great chance for women new to municipal politics to learn from those women who have been on council for years.

Copies of the AMM's *Ballot Box Barriers: An action plan for engaging more women in the municipal democratic process* report will be available. **Open to men and women.**
