Mayor Shari Dekter Hirst, City of Brandon

"There is never a failure of opportunity to affect change. There is simply a paralyzing fear of trying."

Keynote Speaker Dr. Sam Nutt

"It's been great for team-building."

Councillor Liz Driedger, City of Portage, commenting on her first AMM Convention

"I look forward to another year of hard, constructive and satisfying work on your behalf."

President Doug Dobrowolski

TUESDAY RECAP

Day two of the AMM Annual Convention kicked off with the opening ceremonies led by Past-President Ron Bell. President Doug Dobrowolski then took to the stage and delivered what could be called the "State of the AMM" address.

Obviously AMM Members feel President Dobrowolski is the right person for the job as you acclaimed him for another year. Congratulations, Doug!

Keynote speaker Dr. Sam Nutt was rewarded with a standing ovation for her articulate and motivating speech. A number of workshops took place as well.

Delegates made it to #16 on the resolutions list yesterday, carrying all but two. Generating the most discussion was resolution #14 on Bipole III.

A total of 57 women and men attended the Women in Government Networking Session. Chaired by Urban Vice-President Shirley Kalyniuk, the session became an impromptu "open-mike" with speakers ranging from both newly elected and veteran municipal officials to MLA Leanne Rowat. Minister of Local Government Ron Lemieux stopped by as well. ■
