## ***AMM TO PROVIDE “ONE-STOP SHOP” ON ELECTION NIGHT***

**September 20, 2010** – The AMM will offer a “one-stop shop” for election night results this year via the AMM website at [http://www.amm.mb.ca/election\\_2010.html](http://www.amm.mb.ca/election_2010.html).

With 195 municipalities potentially holding municipal elections on **October 27**, having a central location where results can be accessed as they come in will be an added convenience for anyone interested in obtaining the results not only from their own community, but from across Manitoba.

“Electing mayors, reeves and councillors are some of the most important decisions community citizens make, yet civic elections often suffer from voter apathy,” explains Doug Dobrowolski, President of the AMM. “We want to do everything we can to stimulate interest in the election and encourage stronger voter turnout, so it is important to have information available to a broad audience.”

The AMM's goal is to have names of candidates posted in early October and election results from 8:00 pm onward on election night.
