[Growing Outcomes in Watersheds \(GROW\) Trust](#) to support the protection of wetlands and watershed management.

It was also announced the first intake of applications to the GROW Trust will be held in January 2020, allowing conservation districts, soon to be watershed districts, with local GROW committees to apply for project funding that will encourage and support the delivery of ecological goods and services (EG&S) in Manitoba.

For more information about GROW, including project eligibility, contact a local conservation district or visit www.gov.mb.ca/sd/. For questions about opportunities outside of the conservation district program, call Manitoba Sustainable Development at 204-945-0002.

More information about conservation districts and watershed planning can be found [HERE](#).

Fall 2019 Conservation Trust Call for Letters of Interest - NOW OPEN

THE
CONSERVATION
TRUST

A Manitoba Climate and Green Plan Initiative
delivered by The Manitoba Habitat Heritage Corporation

The second call for proposals is now open for Manitoba's [Conservation Trust](#), a unique funding opportunity that was established under the province's Made-in-Manitoba Climate and Green Plan to use nature-based approaches to build resilience to climate change.

This year the Conservation Trust has \$4.3 million available for grassroots conservation groups.

Eligible Lead Applicants

- Community-based not-for-profit groups
- Provincially based not-for-profit groups
- National not-for-profit groups that have established operations within Manitoba

Ineligible applicants are encouraged to participate as project partners with lead applicants.

Ineligible Applicants

- Organizations without established operations in Manitoba
- Governments (including Municipalities and Indigenous governments)
- Individuals
- For-profit organizations

MMSM Municipal Communications Toolkit to promote residential recycling

Multi-Material Stewardship Manitoba Inc. (MMSM) has developed a [Municipal Communications Toolkit](#) as a guide to help your community improve education on residential recycling. You can follow along month by month, or implement the ideas and strategies that work for you. This is simply a guideline to show you the various resources available to help increase your recovery rate, reduce contamination and divert materials from landfill.

Public Consultation on AAC Recommendations for a Transportation Accessibility Standard

On behalf of the Accessibility Advisory Council (AAC), the Disabilities Issues Office requests your assistance in obtaining feedback from your network on a future accessibility standard for transportation.

As required by [The Accessibility for Manitoban's Act](#) the AAC has posted its Discussion Paper on its Recommendations for a Transportation Accessibility Standard on www.AccessibilityMB.ca. As explained in the attached letter, Council invites organizations and individuals to make submissions to access@gov.mb.ca by **November 20, 2019**.

The AAC also invites you and your network to attend, in person or via webinar, a public consultation at the Viscount Gort Hotel, Main Floor, 1670 Portage Avenue in the afternoon of **November 7, 2019**. Please see the [attachment](#) for further details.

As the decades-old FleetNet emergency communications system is currently being replaced, municipalities will start transitioning to the new Public Safety Communications Service (PSCS) in 2020.

Engineered to be highly reliable, the PSCS is based on modern communications standards and will be built with modern infrastructure and equipment.

Compatible radios are available for sale at a discount via our Trading Company.
