Dear Mr. Masi:

This letter is to confirm the rate increase for basic and complex fire fighting payments made by Manitoba Public Insurance.

As outlined our letter of August 26, 2009, these rates will continue to increase on March 1st annually, based on the prior year's C.P.I. plus 1%. Effective March 1, 2017, the basic call rate will increase from \$788 to \$806, and the complex call rate will increase from \$1,051 to \$1,075. These increases are based on the 2016 Manitoba C.P.I. rate of 1.3% (resulting in a 2.3% increase).

These new rates will come into effect for losses occurring on or after March 1, 2017. I would ask for your assistance in informing Association members of this upcoming change.

Thank you in advance for your continued cooperation.

Sincerely,

Ward Keith
Vice President, Loss Prevention & Communications
