Dear Mr. Dobrowolski:

This letter is to confirm the rate increase for basic and complex fire fighting payments made by Manitoba Public Insurance.

As outlined in our letter of August 26, 2009, these rates will continue to increase yearly each March 1st, based on the prior year's C.P.I. plus 1%. Effective March 1, 2014, the basic call rate will increase from \$726 to \$749, and the complex call rate will increase from \$968 to \$999 based on the 2013 Manitoba C.P.I. rate of 2.2% (resulting in a 3.2% increase).

These new rates will come into effect for losses occurring as of March 1, 2014. I would ask that you inform the Association members of this upcoming change.

Thanking you in advance for your continued cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Najam us Sahar'.
