### **CRTC**

Resolution	21/14	Cellular Service Considered an Essential Service - SP	In Progress	Improving cell service and access to broadband Internet is a top priority. The AMM continues to urge the provincial and federal governments to facilitate partnerships with cell carriers and Internet providers to explore options to expand cellular coverage and broadband Internet connectivity as well as work with municipalities to develop solutions to ensure public safety and protect local communities through reliable communications technology.
------------	-------	---	-------------	--

### **Finance Canada**

Resolution	25/11	Implement Infrastructure Funding Council Report	In Progress	The AMM's 'Partners in Growth' Initiative calls on the provincial government to: ensure long-term, stable and predictable funding, after a three-year funding freeze; provide funding tied to Manitoba's GDP to support more municipal growth; rebate the PST municipalities pay, consistent with federal rebate of the GST; and, move to multi-year budgeting to assist with long-term planning and priority setting.
Resolution	32/18	CPP on Council Indemnities	In Progress	The AMM received an official response from the federal Minister of Finance in March 2019.

### **Fisheries and Oceans Canada**

Resolution	45/15	Invasive Species	In Progress	The AMM continues to meet regularly with Manitoba Sustainable Development to discuss municipal concerns.

## **Infrastructure Canada**

Resolution	28/15	Water and Wastewater Fund	In Progress	The AMM continues to meet regularly with Manitoba Municipal Relations to discuss municipal concerns. Investments under Phase 2 of the Investing in Canada Infrastructure Program (ICIP) are also starting to roll out, while the AMM is a member of local consultative committee to help recommend projects to maximize benefits at the local level.
Resolution	10/18	Full-Life Cycle Costing for Capital Purchases	In Progress	The AMM continues to meet regularly with Manitoba Municipal Relations to discuss municipal concerns.

## **Public Safety Canada**

Resolution	19/11	Permanent Flood Solutions	In Progress	The AMM continues to meet regularly with Manitoba Infrastructure to discuss municipal concerns.
Resolution	18/13	Review of Disaster Financial Assistance	In Progress	The AMM continues to urge the federal government to: reverse changes to the DFAA cost-sharing formula that came into effect in February 2015; engage local communities on expanding federal national disaster mitigation strategies; and, increase investment in flood prevention and mitigation infrastructure.

Resolution	31/15	Emergency Response Communications Equipment	In Progress	As the decades-old FleetNet emergency communications system is currently being replaced, municipalities will start transitioning to the new Public Safety Communications Service (PSCS) in 2020. Engineered to be highly reliable, the PSCS is based on modern communications standards and will be built with modern infrastructure and equipment. Compatible radios are available for sale at a discount via our Trading Company.
Resolution	35/16	Federal DFAA Program Changes	In Progress	The AMM continues to urge the federal government to: reverse changes to the DFAA cost-sharing formula that came into effect in February 2015; engage local communities on expanding federal national disaster mitigation strategies; and, increase investment in flood prevention and mitigation infrastructure.

**Transport Canada**

Resolution	11/02	Funding of Airports	In Progress	The AMM has raised municipal concerns directly with the Minister regarding the importance of investing in local airports. The AMM's position can be viewed in the corresponding departmental position paper on the AMM website.

Resolution JDM-1001-201 AMM Northern District Meeting Procedures

In Progress

In 2019, the AMM conducted a survey of all northern members and findings were presented at the 2019 June District Meeting. Going forward, future June District Meetings will be held in hub municipalities to ease travel requirements and allow for greater participation among delegates. Voting options via technology are being explored.
