

Elect KAM BLIGHT

for President of AMM

Committed • Collaborative

I am Kam Blight and have had the honor to serve as Reeve of the RM of Portage la Prairie since 2010 and Vice President of the AMM since 2018. I have been married to my wife, Krista for 20 years and together we have raised three children, Payton, Cody and Tristan, at our family home in Oakville, MB. I, along with my father and brother, own and operate Blight Native Seeds Ltd., a wholesale seed company. I believe in strong economic development policies to help our municipalities thrive and excel to ensure opportunities and success.

"Kam has the qualities and passion to be the next President of the AMM. I have had the pleasure to work with him, and have seen first-hand while he served as Vice President, that he is collaborative and committed to fight for the needs of municipalities during these difficult times. I fully endorse Kam as the next President who I know will serve with honesty, integrity and trust."

Joe Masi,
former Executive Director of AMM

- Community involvement:
 - Past President of the Oakville Chamber of Commerce.
 - Long time Hockey Coach, on-ice skills trainer, and hockey scout.
 - Past President of the Northern Seed Trade Association.
- Award recipient of the Queens Diamond Jubilee Award in 2012.
- Studied Business Administration and received a diploma in Rural Economic Development.
- Thorough understanding of both City and Rural issues.

I ask for your support to become the next President of the AMM. I will serve my peers with integrity and trust and ensure that municipalities across the Province have a strong voice on the important issues we face.

Please register for the virtual AMM conference and vote to elect me as President.

I want to hear from you!
