

## **Here's what people had to say about Kerri's nomination:**

Independent

Nice

She helps a lot of people

Also, you're my mom 😊

You are very happy

If you lost, you would still congratulate the other person who won

*My son, John Riehl (age 10)*

Kerri has proven not only to be a strong voice for her community but has been working collaboratively with all Parkland Municipalities' to bring a voice to the region. Kerri will be a valuable leader at the AMM executive level.

*Robert Brunel, Mayor  
Ste. Rose du Lac*

I would support Kerri because of her dedication to working toward effective governance and her understanding of current community and regional social and economic issues. She has progressive ideas for solutions. She has a tremendous work ethic and is a team player while at the same time being a strong advocate for change.

*Randy Daley, Chairperson  
Crisis Prevention Task Force*

Kerri Riehl has a heart and a passion for her community, her heart is for the people of Dauphin and area. She wants a safe place where people can grow, be accepted, and connected. A community where you love to call it home!

Kerri's experience and involvement in the different communities she has lived helps her bring the best of those communities to ours. We are glad she and her family have called Dauphin home.

Kerri is committed to the work she does and goes the extra mile, she would be an asset to your board and to the municipalities you serve.

*Wayne Olson  
Pastor and Chairperson  
Dauphin Ministerial Society*

I was introduced to Kerri Riehl through the Grandview Kinsmen when we started requiring enhanced security for the growing scope of our community events. We reached out to Riehl

Security Solutions on recommendation from one of our members and have since been very impressed with Kerri and her team. Kerri is very professional, organized, and interested in the success of her clients and their events. She is well-versed in whatever regulations, technical requirements, and goals that the events entail. I had also contracted Kerri to create a security plan for my startup distillery and again was impressed with the results: Kerri went above and beyond what was required by regulations and viewed the project as more of a 'big picture' and what would be pragmatic, not just what looks good on paper. While I don't know what the ideal skillset of the Vice President of the Provincial Association of Manitoba Municipalities would be, my experience with Kerri leads me to believe she will excel in whatever role she engages. She would be a phenomenal asset to the board and a trustworthy representative of her community and the Parkland region.

*Pierce Cairns*

*Owner – Grandview Pharmacy & Gilbert Plains Pharmacy*

*Manager/Secretary – Grand Vieux Liquor Company*

*Treasurer and Past-President – Grandview Kinsmen Club*

I believe Kerri Riehl would be a great candidate for the Provincial Association of MB Municipalities Board. Kerri's heart is in the right place at all times when it comes to caring about the people who live in rural MB. She is passionate about the people and the history of the areas. She wants to see cities and rural towns be safe and with her expertise as a retired RCMP officer she has all the knowledge. I love her professional attitude and how she cares about the "little man." As a business owner herself, she does not want to see small towns and municipalities die out. We have some great history in areas of MB. Kerri is willing to speak up for what she believes in. You would have a hard time finding someone to be a better fit than Ms. Riehl.

*Angie Smith*

*ECHO I & III Housing Manager*

*Canadian Mental Health Association Swan Valley Branch*

*Dauphin Office*

Kerri will be an excellent voice for rural Manitoba on the Provincial Association of Manitoba Municipalities Board executive as Vice President. Her experience as an entrepreneur and owning her own security and training business, law enforcement background, municipal/city governance experience, and raising a family here, gives her a good pulse on the needs of rural Manitoba.

*Gabe Mercier, B.Ed., M.Ed.*

*Director, Parkland Campus*

I am delighted that Kerri Riehl has agreed to run for a position of Vice President on the Association of Manitoba Municipalities'. She is a talented and dedicated individual with much experience and success here in Dauphin. She will be a strong voice for Municipal Governance and a brilliant advocate for addressing changing needs in our communities. Please vote for her.

*Larry Budzinski  
116 Brown Ave E  
Dauphin, MB*

"I have been extremely grateful to have had the opportunity to know and work with Kerri over the past several years. She is insightful and knowledgeable regarding the issues facing her community and the surrounding region. She has a genuine respect for those she serves and works with. She is fearless in her desire to bring about strategic change with systems and programs that will benefit others. I believe this is a result of her life experience which has offered her the window in which she sees the needs of those around her."

*Respectfully,  
Derek Armstrong  
Asset Protection Manager  
Swan Valley Co-op Ltd.*

Your focus is on people, their well being and health. With your business you have the ear to the ground connections. People want to share with you. You love to research and are willing to ask as many questions as needed to get the answers you need. You go forward with courage.

*Kathy Bellamare  
Councillor  
City of Dauphin*

I have known Ms. Riehl since 1989 when we were "sworn-in" at Manitoba's D Division as members of the RCMP. We were colleagues while serving in Alberta and she remains a personal friend.

Ms. Riehl has political acumen; she is keenly adept at understanding context and influence, and makes decisions based on critical analysis. She brings experience from diverse sectors which allows for "big picture" thinking and understanding of community need from both economic and social perspectives. Ms. Riehl is genuine in her engagement with people demonstrated through her strong communication skills.

*Carol Puszka  
RCMP Officer, retired*
