March 1, 2022

To our Municipal partners,

First and foremost, thank you to all for your patronage this past year. Shopping local keeps all Manitoba companies stronger.

Due to many increases from our supply chain, we have no choice but to increase some of our prices. Attached you'll find our updated price list for 2022 for the most popular flags. We reserve the right to adjust pricing at any time with 30 days notice due to unexpected price increases we may encounter.

You may notice less selection available in our 70D lighter nylon fabric which is due to lack of demand for them. The 210D h/weight is still our most popular flag fabric. Other fabrics on the market are available for price comparison upon request.

We are also pleased to still offer 10% off any in stock items that aren't on this list.

Don't forget there's a lot more to us than flags! We service and sell all types of commercial flagpoles as well as street pole banner arms by approved MB Hydro. We custom print street banners, feather flags, buttons, lapel pins, crests, tents and floor mats. All of these items are easily customized for your next event or office use. If you don't see what you are looking for please check with us first. We may be able to point you in the right direction.

From our family to yours, thank you in advance for your continued support.

Sincerely,

Guy Gauthier
