**AMM BOARD OF DIRECTORS,  
PARKLAND DISTRICT**

**VOTE**

**LANCE**  
*Jacobson*

I am pleased to recommend Lance Jacobson for AMM Parkland Regional Director. Lance has worked tirelessly for the benefit of his community and the betterment of the Swan River Valley. He is a leader and a team player. I believe Lance will work hard for all municipalities in the Parkland Region.

**Glen McKenzie,**  
*Former Town of Swan River  
Mayor*

## LET'S WORK TOGETHER

I was first elected in 2010 as a Councillor for the Town of Swan River and re-elected in 2014 as Deputy Mayor. I am currently serving my second term as the Mayor of Swan River.

I have been married for 17 years to my wife Coralie and we have two children - Emma (17) and Kael (14). Together with my wife, I own a retail furniture/appliance franchise in the Town of Swan River. Our family believes in the spirit of Community and hard work.

During my time on Council, I have served on General Government, Parks and Recreation, Communications, Indigenous Relations, Swan Valley Municipal Relations and Medical Recruitment Committees and have been the Chair of the Swan Valley Health Facilities Foundation.

I believe we can get better results by working together. In regards to our Valley municipal governments, it is my mission to work together and I would

carry that forward to our entire Parkland Region and beyond.

They say curious people ask questions, listen and learn to make better decisions. It is no secret... I ask a lot of questions and listen.

My time on Council has been very valuable in making me a better person. I have worked with many individuals: Councillors, Administration, community members, our First Nations and Metis leaders, Ministers, MLAs and MPs, to name a few. I don't take all the credit for all we have accomplished as I always believe we are better when we work as a team. You will often hear me talk about the TEAM and working together.

I believe what I have learned as a Community leader and what I stand for will make me a good choice as your AMM Parkland Director. I will continue to reach out to all our Councils of the Parkland, bringing forth our common issues and how we can be a

better region. I believe we have a lot to focus on including crime, health care, waste management, grant application processes, and many more items that you will bring forward.

I truly believe our region has a lot to offer, I also like the thought of our regional Heads of Council meeting annually to discuss our common issues and values. This is the path to working together and being successful. I will represent Rural and Urban Parkland to the best of my ability. You can trust that I represent you in a professional, respectful manner and be mindful of all that matters for our Parkland Region in effort to make us stronger, and thus to see this region/Manitoba as a place to live/invest/grow.

**I ask you sincerely to support my bid as your AMM Parkland Director.**
