

Greetings fellow Municipal Representatives in the Western District.

I am honoured to be nominated for the opportunity to be one of your Western Directors for AMM.

Those that know me know that I am all in 110% of the time. I am a firm believer in team work and working closely with all levels of government to achieve common goals.

**DEDICATED  
DRIVEN  
POSITIVE**

It has been a pleasure to be on council for twelve years in the RM of Sifton. It has been a humbling experience to be included on many regional committees. Together we worked to help end the unsafe and unsustainable practice of night hunting.

**APPROACHABLE  
DEPENDABLE  
EXPERIENCED**

We also worked together to stand up for our EMS stations in Westman when they were threatened to close. We worked collaboratively on flooding, drainage, water structures and other infrastructure projects.

I am all about promoting the rural way of life and shopping local. Those who follow the Deleau General Store on social media will see that I am transparent, informative and care about the entire Western part of the Province.

One of my goals is to help educate the rest of the Province on rural concerns, as well as the features and benefits which Western Manitoba offers the Province. From the rivers and creeks that flow East, to the oil industry, the AG sector, the windmills, recreation and economic aspects, Western Manitoba is no doubt a major part of the Province.

**COUNCILS OF WESTMAN**

**VOTE  
SCOTT**

**AMM  
WESTERN  
DIRECTOR**

**NOV. 29TH**

Please reach out at any time, I look forward to working with you and helping in anyway I can, as “going forward together“ is my motto.
