Discussion Document: Rural Economic Development Strategy for Manitoba

Last week, the Rural Economic Development Strategy Steering Committee released a discussion document on guiding rural economic development. The discussion document is being presented to stakeholders to guide future conversations on rural economic development.

The steering committee was formed in September 2015 and included representation from various sectors including business and entrepreneurship, Indigenous community economic development, education and all levels of government.

Elections Manitoba launches mobile app for 41st General Election: Manitoba Votes 2016

Elections Manitoba has launched **Manitoba Votes 2016**, a new mobile app for the provincial general election, which is set for Tuesday, April 19, 2016. Available in English and French, this app allows Manitobans to easily connect with provincial election information on the go.

The app complements the information available on Elections Manitoba's website, www.electionsmanitoba.ca, while integrating Google maps and social media, allowing users to easily share election information with their social networks.

The Manitoba Votes 2016 mobile app is now available for download from:
