## CHECK OUT THE AMM ELECTIONS HUB

*"The most rewarding career you will ever have in your life. We're looking for people who are flexible, like to meet people, great problem solvers, and a broad interest because municipal government touches on such broad issues," Mayor Rick Chrest, City of Brandon.*

*"When you get elected you have big ideas of what you're going to do in the future - it doesn't happen quickly. You have to take your time," Councillor Karen MacKinnon, City of Flin Flon.*

*"The CAO is the backbone of the municipality, ensuring that municipal services are running before, after and during an election - no matter the change at the Council table," Nettie Neudorf, Former MMA President and CAO of RM of Portage la Prairie.*

To assist registered and perspective candidates in the upcoming municipal elections, the Association of Manitoba Municipalities (AMM) has formally launched a new comprehensive [Municipal Elections Resource Hub](#) on the AMM website. The hub features several resources and informational materials relevant to candidates, election officials and municipal administrators.

In addition, the Resource Hub includes a series of [testimonial videos](#) from current and former elected municipal officials that highlight key considerations along with tips and advice for candidates.
