AMM news and updates right in your inbox

January 21, 2022

**Dear Subscriber,**

We hope you enjoy this copy of the AMM News Bulletin. Click [HERE](#) to download a PDF version.

### LATEST UPDATES

#### **PUB Standard Rate Application Process Webinar - UPDATE**

In this livestreamed, interactive webinar staff from the Public Utilities Board will review the PUB standard rate application process and minimum filing requirements.

The webinar will be presented on a live stream from the PUB website, which is accessible to anyone and does not require registration in advance. Participants will be able to use a chat box feature to ask questions of the presenters. The webinar will be recorded and made available as a resource to utilities on the PUB website.

This is a general overview of the process, and questions about specific applications should be addressed outside of the webinar.

The webinar will take place on Friday, **February 4, 2022 from 9am to 3pm** with an hour break for lunch.

[\*\*CLICK HERE TO ACCESS PUB WEBSITE\*\*](#)

There is no need to register for this event and there is no cost to attend.

#### **Intact - Municipal Climate Resiliency Grant**

**Municipal Climate Resiliency Grant**  
Building climate resilient communities together

**intact** public  
entities

[\*\*Intact Public Entities\*\*](#) and the Intact Foundation have launched the Municipal Climate Resiliency Grant to help municipalities adapt to climate change and keep people safe. They are investing \$1

million in cities and towns across Canada that are developing practical and effective solutions to protect communities from floods or wildfires.

Application timelines:

- 
- **January 31, 2022, at 11:59 p.m. ET:** Application window closes.
- **February 1, 2022 – March 31, 2022:** Application evaluation and approvals.
- **April 1, 2022 – May 31, 2022:** Successful projects receive funding.

## **Upcoming MARR Webinars - Full Extended Producer Responsibility for residential Packaging and Printed Paper**

MARR invites you to attend a series of important educational webinars on Manitoba's Proposed Transition to full Extended Producer Responsibility (EPR) for residential Packaging and Printed Paper

The purpose of these webinars, which will feature experts from jurisdictions that have transitioned to full EPR, is to provide an overview of EPR, increase understanding on what *full EPR* is, and discuss what this means to communities, waste/recycling service providers, and other stakeholders in Manitoba.

There will be NO fee charged for attending these webinars and registration is open to all Manitoba recyclers, municipalities, First Nations, NGOs and any other interested individuals and groups.

**Webinar 1 (Thurs, February 3, 2022 – 10:00am to ~12:00pm) - Introduction to Full EPR**  
[Click to view Agenda](#)

**Webinar 2 (Thurs, February 24, 2022 – 10:00am to ~12:00pm) - Transition to Full EPR – Opportunities and Outcomes for Manitoba Communities**

**Webinar 3 (Thurs, March 10, 2022 – 10:00am to ~12:00pm) - Transition to Full EPR – Opportunities and Outcomes for Manitoba Waste/Recycling Service Providers**

You only need to register once to attend any or all three webinars. Log-in details for each workshop will be sent to registrants approximately 1 week prior to each webinar.

## Volunteer Manitoba - Community Youth Innovators Program

Are You Connected to Youth Who Want to Make an Impact? Invite them to apply for the VM Community Youth Innovators Program!

The [Community Youth Innovators program](#) gives participants the tools they need to implement a community project, in partnership with a local organization doing the same type of work. If your organization is already connected to a group of youths (18 to 29), encourage them to apply to this program! You can also identify youth you currently work with, or serve, and bring them together to create a project. You can suggest project ideas to help inspire them, and you can help with the application process.

Application Deadline: **January 31, 2022**
