Nomination Information Executive Committee Election

2020 Executive Committee Elections

At this year's Convention there will be elections for the AMM's Executive Committee, consisting of the President and two Vice-Presidents. The term of office for President and Vice-Presidents is 2 years. The President and Vice-Presidents can hold office for multiple terms.

Executive Committee nominations:

Municipalities can nominate a municipal official for the President position, a Vice-President position, or both, but the candidate may only accept nomination for one position. Nominations for positions on the Executive Committee must be by resolution of a Council in Manitoba. Only elected municipal officials of member municipalities are eligible to be President or Vice-President.

MUNICIPALITIES

FÉDÉRATION
CANADIENNE DES
MUNICIPALITÉS

The Government of Canada and the Federation of Canadian Municipalities are proud to launch the Municipal Energy Roadmap. This decision-support tool provides specific guidance to identify the most impactful solutions for reducing greenhouse gas (GHG) emissions.

The Municipal Energy Roadmap will help municipalities discover solutions for energy efficiency in municipal, commercial, and residential buildings; learn about solutions for community sustainable energy generation; and implement strategies to drive these solutions forward.

PSCS FAQ for Municipalities

As the decades-old FleetNet emergency communications system is currently being replaced, municipalities will start transitioning to the new Public Safety Communications Service (PSCS) in 2020.

Engineered to be highly reliable, the PSCS is based on modern communications standards and will be built with modern infrastructure and equipment.

Please note municipalities are required to purchase radios and corresponding equipment. The Province of Manitoba has committed to fully fund the annual operating costs on behalf of municipalities.

Compatible radios are available for sale at a discount via our Trading Company.

Click [HERE](#) for the PSCS FAQ.
