LATEST UPDATES

**Manitoba Government Invests Additional \$15 Million for Municipalities
to Support Road Repairs**

“The Association of Manitoba Municipalities (AMM) commends the Province of Manitoba for investing \$15 million to help support municipal infrastructure repairs. As municipal roads connect

local communities and support economic growth, these additional dollars help underscore the importance of long-term predictable funding to properly maintain and protect municipal infrastructure within our communities.” - Kam Blight, President - AMM

Manitoba Government Launches \$1.5 Million Conservation and Climate Fund

The Manitoba government is now accepting applications for the Conservation and Climate Fund and has increased the size of the fund to \$1.5 million.

Grants will be available for selected projects that support current priorities and align with at least one of three categories: clean technology, water, nature and resilient landscapes.

Eligible applicants include incorporated non-profit organizations, academic and educational institutions, municipalities, businesses, northern and Indigenous communities.

The application intake is now live and will close on **June 17**.

For information and how to apply, visit <https://gov.mb.ca/grants/>

Province Announces Third Intake for Quarry Rehabilitation Program

The Manitoba government is opening a third intake for the Quarry Rehabilitation on Private and Municipal Land Program.

“Our government is committed to supporting the rehabilitation of depleted pits and quarries on private and municipal lands. Up to \$2.8 million, which is the projected balance of the Quarry Rehabilitation Reserve Account, will be available for the 2022-23 program. - Natural Resources and Northern Development Minister Scott Fielding.

Applications will be open until **June 15** and **successful grant recipients** will be notified in **mid-July**. **Approved projects** must be completed by **Jan. 31, 2023**.

For more information on the Quarry Rehabilitation on Private Land Program, including how to apply, visit www.gov.mb.ca/iem/mines/quarry_rehab/index.html.

Interested applicants can also call **204-945-1119** or (toll-free) **1-800-223-5215**, or email quarryrehab@gov.mb.ca.

RECYCLE EVERYWHERE

At Recycle Everywhere, we continue to support Manitoba municipalities by providing beverage container recycling infrastructure and resources. Our single-family dwelling (SFD) bin makes recycling in homes more convenient. This extra 7-gallon bin can be used in home offices, kitchens or wherever people typically consume beverages. The small size also makes it perfect for transporting materials to a recycling consolidation bin or depot. Our bin is available for free to all SFD homes in Manitoba on a community basis.

Many municipalities have already taken advantage of this free initiative including: Winnipeg, Steinbach, Niverville, Beausejour, Swan River, Neepawa, Ste. Anne and the RMs of East St. Paul, West St. Paul, Killarney, Springfield and Brenda-Waskada. Many of these municipalities have agreed to set up

distribution sites for residents to come and pick up their bins, while others have distributed these bins door-to-door. Thank you all for your support in helping us make at-home recycling easier for Manitobans.

“Whether it is at home, in the office, camping or at the cabin. These recycling bins are portable and convenient to recycle anytime or anywhere. Thanks CBCRA for giving these bins away.” – Portage & District Recycling Inc.

“Our residents are very pleased as it enables them to take smaller quantities to their bins as opposed to lugging a larger bag or container.” – Town of Neepawa

If your municipality is interested in receiving SFD bins for the first time, or if you need to top up your supply at your distribution site, please contact us at info@recycleeverywhere.ca with the subject line “SFD Inquiry”.
