Nomination Information Executive Committee Election

2020 Executive Committee Elections

At this year's Convention there will be elections for the AMM's Executive Committee, consisting of the President and two Vice-Presidents. The term of office for President and Vice-Presidents is 2 years. The President and Vice-Presidents can hold office for multiple terms.

Executive Committee nominations:

Municipalities can nominate a municipal official for the President position, a Vice-President position, or both, but the candidate may only accept nomination for one position. Nominations for positions on the Executive Committee must be by resolution of a Council in Manitoba. Only elected municipal officials of member municipalities are eligible to be President or Vice-President.

Rail Safety Week - Manitoba

Show your support! Get involved!

Do you know, every day on a railroad somewhere in North America, someone is injured or killed in an entirely preventable trespassing or crossing incident?

Here are a few easy ways you can help make your community safer and show your support:

1. Pledge for safety while testing your rail safety knowledge. This year each person that enters the **"Pledge & Play" contest** will be entered into a draw to win a special prize. Learn more here: www.cn.ca/railsafetyweek
2. Listen to our [Rail Safety Week podcast](#) and learn to be rail smart
3. Share these [rail safety tips](#) with your family, friends, colleagues and community
4. Follow us on social media! All week we will be sharing rail safety tips on Twitter, LinkedIn and Facebook, help us spread the word and share them with your followers.

Thanks for helping us raise awareness and keeping our communities safer.

PSCS FAQ for Municipalities

As the decades-old FleetNet emergency communications system is currently being replaced, municipalities will start transitioning to the new Public Safety Communications Service (PSCS) in 2020.

Engineered to be highly reliable, the PSCS is based on modern communications standards and will be built with modern infrastructure and equipment.

Please note municipalities are required to purchase radios and corresponding equipment. The Province of Manitoba has committed to fully fund the annual operating costs on behalf of municipalities.

Compatible radios are available for sale at a discount via our Trading Company.
