## Canada In A Day

On **September 10th** grab your camera and film your life for Canada In A Day - a crowd-sourced film to celebrate our Canada's 150th, airing on CTV in Summer 2017. We want all Canadians to have a voice in this visual time capsule. This is an opportunity for our communities to share:

- What do you love?
- What do you fear?
- What do you hope for?
- What does Canada mean to you?

Videos can be about absolutely anything from directly addressing the camera and answering one of the above questions, to documenting an event like a wedding, or filming anything to show the daily life of a Canadian.

Filming day is **September 10th**. More information: <a href="https://www.CanadalnADay.ca">www.CanadalnADay.ca</a> #CanadalnADay

For easy access from AMM meetings use the walkway from the RBC Convention Centre directly into the 2nd floor of the Delta. Our room is on the left.

Municipal councils are urged to send Council and Library Board representatives. A vote will take place to have MLTA become a Division of the Manitoba Library Association. It is critical that we have enough trustees present to conduct this important meeting.
