## ASSOCIATION OF MANITOBA MUNICIPALITIES

★ **137** ★  
**MUNICIPALITIES**

**AMM helps Manitoba speak  
with one, strong voice.**

### About AMM

AMM was created in 1999 as a result of a merger between the Union of Manitoba Municipalities and the Manitoba Association of Urban Municipalities.

### AMM Members

The AMM represents all of Manitoba's 137 incorporated municipalities, including the City of Winnipeg

### AMM Today

The association provides the support and leadership needed to promote strong, functional councils that truly represent the order of government *"closest to the people."*

**The AMM is funded solely by  
its members and by its  
business arm, the Trading  
Company.**

- ✓ \$25 Million for Building Sustainable Communities (up from \$10M)
- ✓ \$20 Million for the Manitoba Water Services Board (up from 15.8M)
- ✓ \$15 Million to support Municipal Road Repairs
- ✓ \$9 Million for Green Teams Program (up from \$5M)
- ✓ Bill 22 - Reversing the ban on federally approved weed control products

**This year we saw the highest  
number of policy successes in  
any given year for the AMM!**

## PRIORITIES MOVING FORWARD

Continue to call on the Province of Manitoba to work as 'Partners in Growth' with the AMM to ensure long-term stable and predictable funding as a counterbalance to the current seven-year freeze.

Rebate the more than  
**\$25 MILLION**  
in PST paid on an annual  
basis by municipalities;

Urge the Province of Manitoba to:

**Provide municipalities a  
'fair share' of funding to  
respond to local  
infrastructure priorities  
and fuel economic  
development more  
effectively across the  
province.**
