

Service and Life Membership Awards

SERVICE PIN CRITERIA

- Years of service need not be consecutive. For the purpose of calculating service time, the total number of years served by a member of council, whether consecutive years or in two or more times served on council will be considered.
- Service need not be with the same municipality. For the purpose of calculating service time, the total number of years served by a member of council, whether with one or more municipalities within Manitoba will be considered.
- In the event a member of council fails to receive a service pin during the year that he/she reaches any service pin milestone, he/she may request the pin in a future year and will be awarded the respective pin either at the next district meeting or at any time as agreed to by the Executive Committee.
- Years of service are recognized once 5 years have been completed and are then recognized every 5 years following until year 40. An individual elected in October 2018 would be eligible for a 5-year pin in 2023.
